

# FAQ

## **What does Off The Track Tasmania offer?**

Off The Track Tasmania offers a series of initiatives, ranging from Subsidised Lessons (10 free lessons) with OTT-approved coaches, equine feed and products with OTT-approved partners, to information and educational opportunities. These initiatives and their criteria may change from time to time, so refer to our website [Offthetracktas.com.au](http://Offthetracktas.com.au)

## **What constitutes an Off The Track Tasmania horse?**

- Standardbred or Thoroughbred
- Horses bred for racing in Tasmania, irrespective of whether they made it to the track or training  
**OR** horses bred in alternate states but raced and retired in Tasmania

## **Can I sell my retired racing horse to Off The Track Tasmania?**

Off The Track Tasmania does not purchase or own horses. As an owner, you will need to negotiate direct with a prospective purchaser. When selling a racehorse, a trainer is legally required to retire the horse from racing on the National Database.

## **Can I purchase a retired racing horse from Off The Track Tasmania?**

Off The Track Tasmania does not own horses for purchase. If you would like to purchase an Off The Track horse, you will need to negotiate direct with its trainer or owner.
